**9TH AVENUE METROPOLITAN DISTRICT NO. 2
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court of the City and County of Denver on September 20, 2016, and recorded on September 30, 2016, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located in the City and County of Denver, Colorado (City). The District held its organizational meeting on December 8, 2016.

9th Avenue Metropolitan District No. 1 (the Service District) was organized in conjunction with 9th Avenue Metropolitan District Nos. 2 and 3, (the Financing Districts) (together with the Service District, the Districts). The Service District will act as manager for the Districts to coordinate and manage the financing, acquisition, construction, completion, operation, and maintenance of all public infrastructure and services within and without the Districts' service area, including streets, traffic and safety, water, sanitation, storm drainage, transportation, mosquito control, and park and recreation facilities for the collective use and benefit of the property owners within, and residents of all of the Districts. The Financing Districts were organized to generate revenue to pay the costs of the Districts' improvements.

The Service District shall have the power to provide covenant enforcement and design review services within the Districts' service area. The Districts shall also have the power to form a special improvement district within the boundaries of the Districts to encourage, accommodate, and finance renewable energy improvements and energy efficiency improvements.

On November 3, 2015, the District's voters authorized general obligation indebtedness of \$2,080,000,000 for the above listed facilities and powers, but the District's Service Plan limits the total debt issuance to \$160,000,000, with a maximum debt mill levy of 50.000 mills.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

The District has no employees, and all administrative functions are contracted.

Revenue

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

**9TH AVENUE METROPOLITAN DISTRICT NO. 2
2024 BUDGET
SUMMARY OF SIGNIFCANT ASSUMPTIONS**

Revenues (continued)

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District. Because the net assessed value of the District is \$0, no property taxes will be collected in 2024. See DURA note below.

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

Category	Rate		Category	Rate		Actual Value Reduction	Amount
Single-Family Residential	6.70%		Agricultural Land	26.40%		Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%		Multi-Family Residential	\$55,000
Commercial	27.90%		Vacant Land	27.90%		Commercial	\$30,000
Industrial	27.90%		Personal Property	27.90%		Industrial	\$30,000
Lodging	27.90%		State Assessed	27.90%		Lodging	\$30,000
			Oil & Gas Production	87.50%			

Specific Ownership Tax

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District’s share will be equal to approximately 5% of the property taxes collected. See DURA Note below.

Net Investment Income

Interest earned on the District’s available funds has been estimated at an average annual rate of 5%.

TIF Taxes

The District has entered into an agreement with the Denver Urban Renewal Authority (DURA) whereby the next taxes levied by the District on the gross assess value of the District will be remitted to the District by DURA on a monthly basis. See DURA note below.

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures

Intergovernmental Transfers

Per provisions of the Districts' Service Plans and a Memorandum of Understanding effective September 30, 2016, the Service District will provide for the overall administration of the Districts. The District will transfer the net funds of its operational mill levy to the Service District to fund these obligations.

Debt Service

Debt service payments in 2024 are provided based on the debt amortization schedule from the Series 2018 Bonds (discussed under Debt and Leases).

Intergovernmental Agreements

Denver Urban Renewal Authority (DURA)

All of the property within the boundaries of the Districts (the "Development") is subject to the 9th and Colorado Urban Renewal Plan approved by an ordinance adopted by the City on July 26, 2013 (the "Urban Renewal Plan"). The Urban Renewal Plan specifies, for purposes of the Urban Renewal Law, a "Redevelopment Area" (referred to herein as the "9th and Colorado Urban Redevelopment Area") encompassing approximately 41 acres, comprising substantially all of the former campus of the University of Colorado Health Sciences Center.

In connection therewith and in order to further provide for the financing of public improvements within the 9th and Colorado Urban Redevelopment Area, the Denver Urban Renewal Authority ("DURA") and the City entered into the 9th Avenue Tax Increment Area Cooperation Agreement dated as of December 15, 2014 (the "City/DURA Cooperation Agreement"). In accordance therewith and with the Urban Renewal Law (Section 31-25-101, et seq. C.R.S.), until the 25th anniversary of the date of the approval by the City Council of the 9th Avenue Project (i.e. December 8, 2039) (also referred to herein as the "TIF Period"), all property taxes resulting from imposition of ad valorem property taxes on the assessed valuation of all taxable property in the 9th Avenue Project within 9th and Colorado Urban Redevelopment Area (which includes all of the property within the boundaries of the Districts) in excess of the base assessed valuation thereof (i.e., the incremental assessed valuation) are to be remitted by the City to DURA. According to the City Assessor, the base assessed valuation of taxable property in the Districts is zero.

The Districts, and DURA entered into a Cooperation Agreement, dated as of June 21, 2018 (the "District Cooperation Agreement") pursuant to which DURA has agreed to remit during the TIF Period to each of the Districts, all revenues generated from the imposition of ad valorem property taxes by such district on the incremental assessed valuation of property of such District, including property tax revenue resulting from the imposition of the Required Mill Levy. Accordingly, during the TIF Period, the Districts receive their respective Property Tax Revenue from DURA and not from the City Treasurer. During the TIF Period, the Districts may also receive Specific Ownership Taxes Specific Ownership Taxes from DURA and not from the City Treasurer.

2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Intergovernmental Agreements (Continued)

In October 2018, DURA issued bonds in the aggregate principal amount of \$63,760,000 for the purpose of, among other things, reimbursing the Developer for a portion of the costs incurred in financing the construction of certain public improvements in the Development pursuant to the Redevelopment Agreement. The DURA Bonds are secured by a pledge of certain amounts generated within the 9th and Colorado Urban Redevelopment Area by incremental increases in property tax revenues and sales tax revenues, except for those incremental increases in property tax revenues generated within the boundaries of the Districts from the imposition of their Required Mill Levy, respectively, which revenues are pledged to the payment of the Bonds.

Debt and Leases

The District issued Bonds on December 19, 2018, in the amount of \$14,370,000. The proceeds from the sale of the Bonds were used for the purposes of: (i) reimbursing a portion of the costs of acquiring certain real property upon which public improvements will be located; (ii) funding the Reserve Fund; (iii) funding capitalized interest; and (iv) paying the costs of issuance of the Bonds.

The Bonds bear interest at the rate of 5.00% and are payable semi-annually on June 1 and December 1, beginning on June 1, 2019. Annual mandatory sinking fund principal payments are due on December 1, beginning on December 1, 2022. The Bonds are assumed to mature on December 1, 2048.

The Bonds are limited tax general obligations of the District secured by and payable from and to the extent of the Pledged Revenue, consisting of the District Pledged Revenue and the District No. 3 Pledged Revenue.

The Bonds are secured by amounts on deposit in the Reserve Fund and by amounts accumulated in the Surplus Fund, if any. A portion of the interest on the Bonds will be paid from capitalized interest to be funded with proceeds of the Bonds. The Bonds are also secured by amounts, if any, accumulated in the Surplus Fund. Available Pledged Revenue, if any, is to be accumulated in the Surplus Fund, prior to the Release Date, in accordance with the Indenture, up to the "Maximum Surplus Amount".

The District Pledged Revenue consists of the following, net of any costs of collection (to the extent not previously deducted by definition): (a) all Property Tax Revenues and all Specific Ownership Tax Revenues (in each case whether such revenues are received by the District directly from the City Treasurer or indirectly pursuant to the District Cooperation Agreement); and (b) any other legally available moneys which the District determines, in its absolute discretion, to credit to the Bond Fund.

The District No. 3 Pledged Revenue consists of the following revenues pledged pursuant to the Pledge Agreement, net of any costs of collection (to the extent not previously deducted by definition): (a) all District No. 3 Property Tax Revenues and all District No. 3 Specific Ownership Tax Revenues (in each case whether such revenues are received by District No. 3 directly from the City Treasurer or indirectly pursuant to the District Cooperation Agreement); and (b) any other legally available moneys which District No. 3 determines, in its absolute discretion, to transfer to the District for credit to the Bond Fund.

9TH AVENUE METROPOLITAN DISTRICT NO. 2
2024 BUDGET
SUMMARY OF SIGNIFCANT ASSUMPTIONS

Debt and Leases (continued)

Pursuant to the Indenture, the District has covenanted to levy an ad valorem mill levy upon all taxable property of the District each year in an amount which would generate Property Tax Revenues, together with any District No. 3 Property Tax Revenues, sufficient to pay the principal of, premium if any, and interest on the Bonds as the same become due and payable and replenish the Reserve Fund to the Reserve Requirement, but not in excess of 50 mills, subject to adjustment as explained below.

However, prior to the Release Date (defined below), for so long as the amount on deposit in the Surplus Fund is less than the Maximum Surplus Amount, the Required Mill Levy is to be no less than 20 mills (subject to adjustment), unless a lesser number of mills which would generate Property Tax Revenues (a) sufficient to pay the principal of, premium if any, and interest on the Bonds as the same become due and payable and replenish the Reserve Fund to the Reserve Requirement, and to fully fund the Surplus Fund to the Maximum Surplus Amount, or (b) when combined with moneys then on deposit in the Bond Fund, the Reserve Fund, and the Surplus Fund, will pay the Bonds in full.

On and after the Release Date, the Required Mill Levy is to be such number of mills not in excess of 50 mills (subject to adjustment), imposed by the District for collection in the succeeding calendar year that would generate Property Tax Revenues (i) sufficient to pay the principal of, premium if any, and interest on the Bonds as the same become due and payable, or (ii) when combined with moneys then on deposit in the Bond Fund would pay the Bonds in full.

In any year that a Required Mill Levy of 50 mills (subject to adjustment) would not produce Property Tax Revenues sufficient to pay the principal of, premium if any, and interest on the Bonds as the same become due and payable, and, prior to the Release Date, replenish the Reserve Fund to the Reserve Requirement, then the mill levy Allocation Standard requires that District No. 3 impose the District No. 3 Required Mill Levy at such number of mills that would generate District No. 3 Property Tax Revenues which, together with the Property Tax Revenues expected to be generated in the following years, would be sufficient to pay the principal of, premium if any, and interest on the Bonds as the same become due and payable and, prior to the Release Date, replenish the Reserve Fund to the Reserve Requirement, but not in excess of 50 mills (subject to adjustment.)

Prior to the Release Date, the Bonds are secured by amounts on deposit in the Reserve Fund (\$1,318,200) and by amounts accumulated in the Surplus Fund, if any. A portion of the interest on the Bonds will be paid from capitalized interest to be funded with proceeds of the Bonds. Prior to the Release Date, the Bonds are also secured by amounts, if any, accumulated in the Surplus Fund. Available Pledged Revenue, if any, is to be accumulated in the Surplus Fund, prior to the Release Date, in accordance with the Indenture, up to the "Maximum Surplus Amount" of \$1,437,000.

For purposes of the foregoing, "Release Date" is defined in the Indenture to mean the date on which the Senior Debt to Assessed Ratio is at or below 50%. At December 31, 2022, the debt to assessed ratio was 64.5%.

The District has no operating or capital leases.

**9TH AVENUE METROPOLITAN DISTRICT NO. 2
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Reserves

Debt Service Reserve

The District has a debt service reserve in the amount of \$1,318,200.

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to the Service District, which pays for all of the Districts' operations and maintenance costs, an Emergency Reserve is not reflected in the District's budget. It is accounted for in the budget of the Service District.

This information is an integral part of the accompanying budget.

I, Matt Schartz, hereby certify that I am the duly appointed Secretary of the 9th Avenue Metropolitan District No. 2, and that the foregoing is a true and correct copy of the budget for the budget year 2024, duly adopted at a meeting of the Board of Directors of the 9th Avenue Metropolitan District No. 2 held on November 16, 2023.

Survey Question: Does the taxing entity have voter approval to adjust the general operating levy to account for changes to assessment rates? Yes No

Include one copy of this tax entity's completed form when filing the local government's budget by January 31st, per 29-1-113 C.R.S., with the Division of Local Government (DLG), Room 521, 1313 Sherman Street, Denver, CO 80203. Questions? Call DLG at (303) 864-7720.

¹ If the taxing entity's boundaries include more than one county, you must certify the levies to each county. Use a separate form for each county and certify the same levies uniformly to each county per Article X, Section 3 of the Colorado Constitution.
² Levies must be rounded to three decimal places and revenue must be calculated from the total NET assessed valuation (Line 4 of Form DLG57 on the County Assessor's FINAL certification of valuation).

CERTIFICATION OF TAX LEVIES, continued

THIS SECTION APPLIES TO TITLE 32, ARTICLE 1 SPECIAL DISTRICTS THAT LEVY TAXES FOR PAYMENT OF GENERAL OBLIGATION DEBT (32-1-1603 C.R.S.). Taxing entities that are Special Districts or Subdistricts of Special Districts must certify separate mill levies and revenues to the Board of County Commissioners, one each for the funding requirements of each debt (32-1-1603, C.R.S.) Use additional pages as necessary. The Special District's or Subdistrict's total levies for general obligation bonds and total levies for contractual obligations should be recorded on Page 1, Lines 3 and 4 respectively.
